

July 2018

Dear Olive Chapel Elementary AIG Parents,

Welcome to the new school year! We hope this letter finds everyone excited for the wonderful opportunities our AIG (Academically or Intellectually Gifted) program holds. We are thrilled to be a part of the OCE community as the AIG teachers. We look forward to fostering independent, 21st century learners who want to pursue learning opportunities that enrich their personal growth.

The first few days have been a whirlwind of new routines and schedules in our building, but the students have worked hard and adjusted with ease. We will begin direct AIG services the 2nd week of school. We are working closely with the classroom teachers and our administration to ensure your child receives the best our AIG program has to offer. This year the focus will continue to be on providing an appropriately challenging educational program for our AIG students. As we plan lessons for your student, we will be utilizing research based practices and the grade level standards. These will support us in addressing the needs of our advanced ability students in language arts, mathematics, and other content areas.

Feel free to visit our website (<http://acsgiftedgazette.weebly.com/>) for the most up-to-date information. You can also follow us on Twitter @mygiftedgazette. We encourage two-way communication and believe that no question is too small or too big. Please know that we have a policy of responding to emails and phone messages within 24 hours. This allows us time to respond accurately and completely to any question or concern.
